ELIGIBILITY
The following eligibility regulations have been established to protect the intramural athletes and to insure them ample opportunity to participate. It is important that all participants observe the rules equally so that no team or individual may gain an advantage over those abiding by the rules. Each participant is responsible for the verification of his/her own eligibility. Each team captain is responsible for the eligibility of his/her team members.

- In order to be eligible to participate in Intramural Sports, an individual must fall into one (1) of the following categories:
  - All Oklahoma State University (Stillwater Campus) and Northern Oklahoma College Gateway Undergraduate and Graduate students who are enrolled during the current semester. The key to being eligible is that a student who has paid the Student Activity Fee (correspondence courses or audited course work do not make participants eligible).
  - Faculty/Staff members who have purchased a Colvin Recreation Center Activity Card.
- Before participation in an Intramural Sport, individuals must be registered online. This entry form becomes the official team roster.
  - For each Intramural Sport(s) there are a maximum and minimum number of players allowed. These numbers vary per intramural sport/activity and they are known as roster limitations. At no time will the Intramural Sports Office accept an entry form that does not fit within the roster limitations.
  - Roster additions and deletions may be made throughout the sport season in the Intramural Office, or they may be completed at the game site.
    - For all intramural activities the final opportunity to add/delete a player(s) is during the first contest played in playoffs.
  - No roster additions/deletions will be taken over the phone.
  - Substitutions in individual/dual sports must be made before a player’s first scheduled game/match. The original player cannot re-enter the tournament after the substitution is completed.
- An individual may not participate for more than one team within a division in a given sport. For example: a male may not play in Men’s A league and Men’s B league, but is allowed to play on a Men’s team and a Co-Rec. team.
  - If a player wishes to change from one team to another, he/she must do so in the Intramural Sports Office before their current team’s first contest played.
  - A player listed on two rosters will be considered a member of the team he/she first plays for. *Any player signed in on a game score sheet will be considered to “have played.”
- Any person playing under an assumed name or ID number shall be barred from intramural competition during that season and the team penalized with losses for all the games in which the violator participated.
- Any person who is a member of a varsity or junior varsity squad shall not be eligible to participate in that sport or corresponding sports.
  - Member of varsity or junior varsity sport squads will be defined as: those on scholarship, walk-ons, “red-shirts”, academic ineligibles and persons having varsity equipment checked out to them.
  - Any person who has earned an athletic letter at any four year institution which gives college credit, regardless of size and level of competition shall not be eligible to participate in that sport, or corresponding sport(s) until the lapse of one (1) year from the end of the season in which the player last competed.
  - Any person who tries out for or is cut from a team before the second contest of the season shall be ineligible to participate in that sport or corresponding sport(s) until the lapse of six (6) months from the end of the season in which he/she last competed.
  - Only four (4) scholarship athletes or past letter winners are allowed per team in any non-corresponding sport (this team must play in A competition only), or only two (2) scholarship athletes or past letter winners are allowed per team in any non-corresponding sport (this team must play in either A or B competition).
Any person who has competed as a professional in a sport shall not be eligible to participate in that sport or corresponding sport(s) until the lapse of seven (7) years from their last season on a professional roster.

In order to participate for a fraternity or sorority an individual must be associated with that organization as a pledge, member or alumni.

In order to compete on a residence hall team, a player must be a current or past resident of the hall. The maximum number of past residents on a team’s roster is two (2).

Independent teams may be composed of persons who may or may not belong to a previously mentioned group.

Consequences for using an ineligible player(s):
- The team shall forfeit all contests in which the ineligible individual(s) played.
- Players participating illegally are referred to the Intramural Sports Coordinator for further disciplinary action.

For any additional information on eligibility please see the Intramural Sports 2012-2013 Policies and Procedures Handbook which can be viewed online at http://wellness.okstate.edu or visit the Intramural Sports Office in room 104 Colvin Recreation Center.
