Introduction and Philosophy
Philosophy

1. The OSU Sport Clubs are recognized student organizations of Oklahoma State University. Sport Clubs can be competitive (with an emphasis of competing against other college and university sport club programs), recreational, instructional, and social in nature.

2. OSU Sport Clubs are members of the OSU Sport Club Council (SCC), which acts as an advisory board for all sport clubs. The SCC consists of 2 full-time staff members and a graduate assistant from the Rec Sports Office. The Assistant Director of Rec Programs is available on a daily basis for individual consultation, attends all SCC meetings, and assist sport clubs in planning, organizing, and coordinating activities. The Assistant Director is the liaison between the University administration and the Sport Club program. The Graduate Assistant is responsible for recording all decisions of each SCC meeting and keeping reports of the finances. ALL financial transactions (expenses, deposits) must be handled through the Rec Sports Office.

3. OSU Sport Clubs differ from varsity athletics in that they are not scholarship-based. They are responsible for their own administration, expenses, and management. Sport Clubs are required to have a faculty/staff advisor, and may or may not have a coach.

4. OSU Sport Clubs differ from Intramural sports in that they travel to other college and universities to compete, and they schedule their own practices, games and tournaments.

5. The size of the OSU Sport Club Program is dictated by student interest. New clubs are formed by interested students, while inactive clubs are allowed to dissolve. The most successful clubs are those with strong student leaders and active student involvement.

Purpose

1. Sport Clubs provide a wide variety of recreation and sport pursuits for the University community.

2. Sport Clubs allow students the opportunity to increase their skill in a specific sport or activity through practices, competition, and/or coaching.

3. Sport Clubs allow students the opportunity to exhibit and test their skills in competition against local or regional clubs, as well as other University Sport Clubs.

Any reported action that negatively reflects upon the Sport Club will be handled by the Assistant Director of Recreation Programs and the Sport Club Executive Committee.

Contests will not be played and will result in forfeits if such substance abuse is present. The Sport Club Staff assigned to the playing contest have the authority and responsibility in making decisions regarding individuals who are not permitted to participate based on:

- A student’s breathe smells of alcohol.
- A student’s actions and language are unacceptable.
- Teams and/or individuals guilty of alcohol or drug use will be asked to leave the playing area and will be barred from further participation. Violators will be suspended for 1 semester or the equivalent of 1 semester.

Gender Discrimination & Sexual Harassment
Sexual Harassment

Sexual harassment is defined as unwanted, deliberate or repeated sexual behavior, verbal or non-verbal comments, gestures or touching. Such unwelcome sexual behavior or physical conduct of a sexual nature, or derogatory verbal references to characteristics of persons of a certain sex constitutes sexual harassment when:

1. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s employment or academic activities;
2. Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual, or
3. Such conduct has the purpose or effect of unreasonably interfering with a person’s work, performance, or creating an intimidating, hostile or offensive working or learning environment.

Sport Club participants shall strive to create and promote environments which are FREE of unwelcome sexual advances, sexually suggestive remarks or any other sexually harassing action. Any employee or student who has a complaint of sexual harassment is encouraged to follow the procedures outlined below.

Procedures

The following steps may be helpful if you are in a situation where sexual harassment exists:

1. You should immediately approach the person(s) who is harassing you or another employee. Inform them that their action is offensive and they should stop their actions or comments. It is advisable that someone else accompanies you when you speak to the person(s), preferably a fellow employee of the Rec Sports office, or club officer/coach.
2. If the comments or action does not cease or you do not feel comfortable approaching the person(s), you should report the situation to your immediate supervisor.
3. You should immediately write down the names of witnesses and a description of the incident. Incident report forms are available at the Rec Sports Office. When you write the incident report, indicate what has occurred and the action you have taken. Do not provide judgmental information such as “the person should be expelled from the facility.”
4. If you feel threatened or in danger, do not leave the building alone. Call 911 and ask that a security officer escort you to your automobile or to your home.

Any sexual harassment by a professional staff member should be reported to Kirk Wimberley, Interim Director of Wellness.
Quid Pro Quo

- This for that or something for something
- Hostile work environment
- Employment or educational decisions/expectations are based on employee/student’s submission to or rejection of sexual advances, requests for sexual favors, or other behavior of a sexual nature

Examples
- Employer offers the employee a promotion in exchange for a sexual favor
- Making work assignments or grades conditional upon the submission to a sexual request
- Use of position as leverage in order to intimidate the student or employee into complying with the request.

Hostile Work Environment

- Speech or conduct that is severe and/or pervasive enough to create an abusive or hostile work environment

Examples
- Unwanted jokes, gestures, offensive words on clothing, and unwelcome comments
- Touching and any other bodily contact such as scratching or patting a student or coworker’s back, grabbing a student or employee around the waist, or interfering with an student/employee’s ability to move
- Repeated requests for dates that are turned down or unwanted flirting
- Displaying sexually suggestive objects, pictures, or posters
- Playing sexually suggestive music

Sexual Misconduct and Title IX

Sexual Misconduct is a form of Sexual Harassment. Sexual Misconduct encompasses any nonconsensual contact of a sexual nature. It may vary in its severity and consists of a range of behavior that includes, but is not limited to:
- sexual violence; sexual advances; requests for sexual favors; indecent exposure; and other verbal, nonverbal or physical unwelcome conduct of a sexual nature, where such conduct is sufficiently severe, persistent or pervasive
- When a hostile environment is created…

Examples
- Unwanted sexual touching/ exposure
Explicit sexual language, gestures or threats directed towards another student or employee
Nonconsensual sexual assault and Forced rape
Stalking a student or employee

Comfort Zones

People have different confront zones for different relationships, different environments; and different circumstances. Each member of the campus community is responsible for preventing sexual harassment and ensuring that the work and academic environments are harassment-free. Become informed about sexual harassment. Evaluate your own behavior to ensure that you are not engaging in sexual harassment. Just because you believe your behavior, actions or language is appropriate, does not mean others think it is appropriate.

Retaliation

What is Retaliation?
- Adverse action taken against an employee because he/she complained of harassment or discrimination
- Demotion
- Discipline
- Termination
- Salary reduction
- Change in job duties

Club
Membership &
Becoming a New Club

2. All faculty and staff members are eligible to join Sport Clubs as an associate member (have no voting rights).

5. No club may restrict its membership on the basis of race, color, national origin, age or disability.

6. Intercollegiate athletes are allowed to join a sport club. However, if you are a member of an association, you need to check their rules on allowing intercollegiate athletes to participate in competition.

Active Status

All student organizations are required to have a minimum of 10 student members, not including officers. A sport club must be considered active in order to access their funds. To be active, the club must have the following on file or online:

1. Active in Campus Life (updated CampusLink – officers and re-election date)
2. Officer list

4. Inventory List - A detailed list of all club inventory, estimated value, and location of each item
5. Club Rosters on IMLeagues
6. Updated game schedules
7. Have a constitution on file with Campus Life

**Becoming a New Sport Club**

Anyone student interested in forming a new sport club must follow the following guidelines

1. Apply to be a registered Student Organization through Student Life
2. Contact the Rec Sports Office regarding your intentions to form a new sport club
3. Once approved by Student life, the organization must present a presentation in front of the Sport Club Executive Committee to be approved.
Officer Responsibilities
Sport Club Officers

Each individual group may set standards for club officers if it so chooses (minimum credit enrollment hours, minimum GPA, etc.). All organizations are required to have the officer positions listed below. The officer’s and advisor’s name and phone number will be included on the sport club flyer and on the website. Example of officer duties are listed below:

1. President
   - Liaison between the club and the Assistant Director and Graduate Assistant of Sport Clubs
   - Conduct elections of officers
   - Attend all meetings called by the Assistant Director and Graduate Assistant of Sport Clubs
   - Insure that all required forms and reports are submitted on time
   - Inform club members of the contents of the Sport Clubs Manual
   - Ensure that the other officers are fulfilling their duties
   - Handle external issues of the club such as facility scheduling, communication with national governing body, etc.
   - Notify the Rec Sports Office of any changes to roster, travel, game schedule, etc.

2. Vice President
   - Assist the president
   - Ensure all forms and reports are submitted on time
   - Acts in place of the president when necessary.
   - Oversees club correspondence, match and tournament scheduling, travel arrangements and membership information.
   - Often heads special projects / committees such as fundraising drives, tournament arrangements, publicity and promotion campaigns, etc…

3. Secretary

   - Disseminate club information to its members
   - Maintain club records needed for the budget request

4. Treasurer
   - Collect dues and money earned from fundraising and turn in to the Rec Sports Office
   - Keep a current running total of the club’s finances
   - Work with the President on preparing the club’s budget
   - Submit the expenditure request from along with the original receipt for reimbursement
The successful transition from outgoing to new leadership is vital to the continuing successful operations of the club. The following steps should be taken by the outgoing and incoming officers to ensure a successful transition:

1. Turnover of all club records and inventory
2. Review financial records
3. Update your officer information with the Rec Sports Office as well as CampusLink
4. Review all forms (including last year’s budget request form)

At least two club officers from each club will be required to have a semester meeting with the Sport Club GA. The responsibilities listed above should be considered as a guide to the office and not a complete position description. Other duties mentioned in this manual, as well as anything pertaining to the well-being of the club or its relationship to Rec Sports is the responsibility of the club president or officer position as designated by the club leadership.

In each club it is important that officers work together. Duties often overlap and projects cannot be successfully conducted without the cooperation of all officers and members involved. It is highly recommended that each club create committees as a means of distributing the club workload and preparing other members to assume leadership positions in the future.

Every sport club should devise a plan for the training of new officers so that the transition between executives does not impede the club’s progress. The Assistant Director of Rec Programs can suggest several strategies including job shadowing, officer orientation, development of position descriptions, overlapping term of office, and an executive committee format for governing club affairs.
Executive Committee
The Sports Club Executive Committee is an elected group of club officers that serves the common interest of the Sport Club Program.

**Committee Membership**

- The committee will be comprised of: 1 Advisor, 5 sport club officers, 1 sport club supervisor, and the sport club graduate assistant. Any ties associated with voting by the Executive Committee will be broken by a SCC staff member.
- Elections will be held at the beginning of each school year. Appointment lasts for 1 academic year.
- No club can be represented on the committee in consecutive years.
- Must currently be a sport club officer

**Responsibilities**

- Attend monthly committee meetings
- Oversee sport club disciplinary hearings
- Review all sport club allocation proposals and recommend budget allocations for following academic year
- Recommend yearly policy and procedure changes for sport club handbook
- Facilitate new sport club proposals
- Miscellaneous duties
Role of Advisor & Coach
Coach

Sport Clubs are not required to have coaches. Coaching positions may be filled by someone from inside or outside the university community with the approval of the club members and the Assistant Director of Rec Programs. As a student organization, it is important to remember that the internal organization and decision making of the club must be left to the club membership and leadership. A coach has many opportunities to provide a positive influence on club members, both in terms of skill development and in interpersonal development. However, the coach must also be aware of the limitations of the position within the Sport Clubs Program. The coach must follow all University and departmental policies and procedures and DOES NOT take the place of the club’s officers. Matters involving the management of the club MUST be the responsibility of the club officers and members.

Within the Sport Clubs Program structure, the coach serves to schedule and structure workouts, skill improvements, and game strategy. The Assistant Director of Rec Programs has the right and obligation to protect the club by releasing any coach from their position if they are not deemed to be working in the best interest of the club. The dismissal of the coach is not subject to appeal. Each coach will be required to sign a Coaches’ Expectation form at the beginning of each school year. All coaches who will need access to the Colvin Recreation Center for practice or games will be given a complimentary pass. This pass will allow coaches access to the facility during scheduled practice times ONLY. Any coach caught using this pass to access the facility at any other time will result in club discipline, and the coach will be required to purchase a Colvin Center membership at his/her own expense.

Advisor

All student organizations are required to have an advisor who is an OSU full-time faculty/staff member and it is the club’s responsibility to find a volunteer to be their advisor. The advisor is to oversee your club to make sure the club is following University and Sport Club policies. The advisor must approve all reimbursements by signing the expenditure forms. The advisor’s involvement in the club is determined by student members. Although we suggest that your advisor be extremely involved and hands-on with your club, it is not a requirement. It is suggested that your advisor has some basic knowledge about and sincere interest in the activities of the club. The advisor’s name and phone number will be included on the sport club flyer and on the website.

Possible roles of the advisor:

- Assist with activity planning, fund-raising, budget preparation
- Counsel on problems with club members
- Offer guidance
- Attend club meetings
- Travel with the club to tournaments/events if possible
- Resource regarding University matters
Allocation System
The Oklahoma State Sport Club allocations will be based upon a grade sheet system. Clubs will be required to follow the given criteria each semester in order to ensure they receive their maximum allocated funds.

**Sport Club Grade Sheet**

The grade sheet will be based upon a point system that factors in administrative deadlines, meeting attendance, and club involvement. Every club will receive a grade each semester that affects their allocated amount for the succeeding semester. Each club receiving a grade below a D will be placed on probation and will not receive any funds for the next semester.

\[
\text{Grade} = \frac{(\text{Points earned} + \text{Bonus points}) - \text{Deductions}}{\text{Total Points Possible}}
\]

Funding
Allocation from AFAP

The SCC receives money from the Activity Fee Allocation Process every year. In January, clubs must turn in a budget request that details their operating expenses, revenues, and requested help from the SCC. The Executive Committee, which consists of one representative from 5 clubs, 1 advisor, 1 sport club supervisor, and the sport club graduate assistant meet to look over every club’s budget. The Executive Committee then writes up a report stating how much money they believe each club should receive for the upcoming school year. Once the allocation is given (usually in July), the SCC divides the money among all active clubs. This allocation is divided into 2 equal deposits - one for the fall semester and one for the spring semester. **If a club does not turn in their budget by the due date, they are not eligible to receive an allocation through SCC.** Allocations are designed to provide a fraction of the club's operating budget. All clubs are expected to supplement their allocation with the collection of dues, fund raisers, or by securing sponsors/donors.

Fundraising

Clubs are encouraged to participate in fundraising activities. Almost all activities are acceptable but need to be approved by the Rec Sports Office. However, no fundraising activity can contain alcohol or tobacco. Donors can get a tax break for their donation if the money is deposited into the foundation account.

Each club is responsible for matching 50% of their allocation from SCC each semester—due by the Friday of finals week of the Fall and Spring semesters. (For example: If your club was allocated $1,000 from the SCC for the school year, the club must match $250 each semester. Club dues cannot be counted as the 50% total matching of the allocation. **All fundraisers need to be pre-approved by the Rec Sports Office.**

Sponsors

Clubs are encouraged to find sponsors for their team. Ask local or state businesses that are in the same expertise as your sport. The only exception to sponsors is that they cannot be alcohol or tobacco related. Donors can get a tax break for their donation if the money is deposited into the foundation account.
Typical Funding Problems

Lost Receipt

If the purchase was from a company, call them and request a copy. If it was a paid by an individual, a copy of his/her transactions on a bank statement will work (as long as an invoice, flyer, or some other itemized documentation of the expense is provided). The statement must have their name on it, name of the business, and amount.

Paying for a Service

You must create an invoice (Microsoft Word will have templates). The invoice must have the person’s name, address, and phone number. The invoice must also include the type of service and amount. This is mainly used to reimburse referees.

Name on Receipt and name on Expenditure Form

The two have to match! The name on the receipt is the person who will get reimbursed.

Hotel Receipts

The confirmation email will NOT work. The receipt must show that the rooms were actually paid for.
Deposits
Colvin Center Account

We accept cash, check, credit card (Visa and MasterCard), or PayPal. Members can come to the Colvin Center to pay for their dues with their credit card. Deposits made through the SCC account are not a tax write-off. All deposits must be kept with the University. This includes member dues, funds raised through sales and solicitation, etc. **Clubs are NOT allowed to open private savings or checking accounts.** In order to make a deposit, you will need to fill out a deposit slip. Then take the deposit slip with the cash and/or check to the 101 Colvin Center Business Office. Deposits can only be made Monday—Friday 8:00am to 5:00pm. Deposit forms can be found online or in the Colvin Office. **Checks should be made out to your clubs name (i.e. OSU Weightlifting, OSU Soccer, etc.).** Checks should be deposited the next day from the date written on the check!

PayPal

Clubs can get a PayPal Here card swipe from the Rec Sports Office so the club can collect credit card payments immediately (fees apply). Or, payments may be sent via PayPal to sportclubs@okstate.edu. The club name must be in the description field!

Foundation Account

In order for the done to write-off the donation on their taxes, the donation must be made through the foundation. The SCC has a general sport club account set up at the Foundation. See the Assistant Director if you have a donor wishing to donate money, equipment, etc. and would like it to be a tax write-off.

Donation of Goods – Foundation Account

Donors may donate items to the club and receive a receipt for charitable contributions. Please see the Rec Sports Office for the forms but the donor name, address, and description of property is required. We also need a letter from the donor or an invoice showing the value of items donated.

Balancing the Account

Rec Sports will keep current financial records for all clubs. You may see your current account balance in real time by using the Dropbox website (ask Assistant Director for the website). The club’s treasurer is expected to also keep a running balance of their club’s budget. Any differences should be reported to the Rec Sports Office.

Expenses
There are four ways to pay expenses: Check, credit card, PayPal, or campus invoice. All 4 methods of reimbursement require you to fill out an expenditure request form. These forms are located online or in the Colvin Office. **Sport clubs are NOT tax-exempt.**

**Checks**

It will take about 2-3 weeks for a check to arrive at the destination - so plan accordingly! Make sure to turn in your paperwork in advance. A lack of planning on your part does not require an emergency on the SCC’s part. If the check is to an individual, you must have their social security number, CWID (if an OSU student), and correct mailing address. If the check is to a business, you must know their FEI # or EIN (federal employment identification number or employer identification number). To obtain this nine digit number, you should call the company and ask for the accounting department.

**Credit Card**

A credit card can be used to pay for items online or over the phone. However, it must be done in Rec Sports Office.

**Fuel Card**

A fuel card is available for check out through the Rec Sports Office (used to buy fuel and any pump). No additional purchases outside of fuel should be made with this card.

**Campus Vendor Invoice (CVI)**

Any purchases with OSU must be done on a campus vendor invoice. The club needs to get the department’s name and account number from Jason.

**Cash**

There is not a way to withdraw cash from your account.
Expenditure Request Form

Please fill out every line of the form. A club officer AND advisor must sign the form before it is turned in to the Rec Sports for processing. An original receipt must be attached to all expenditure requests. The receipt must also be itemized (showing the items bought). The receipt must show that the item was paid for. An invoice that just states the total will NOT work. It must show that a sale was made (by MasterCard, Visa, check, cash, etc.). If a receipt, it must show proof that account was used (bank statement).

Travel
Travel Notification Form

Sport Club travel regulations are designed to ensure the safety of all club members while traveling. Sport Clubs may travel to participate in events and tournaments anywhere they choose. A travel notification form must be turned in online 2 WEEKS PRIOR to departure. If this form is not turned in, you will NOT be traveling to an event. Post-travel forms will be due within 48 HOURS of returning from an event. In case of an accident or any other problem, the club should complete an accident report form and turn it in to the Assistant Director within 48 hours of the accident. Trip Insurance may be available through Campus Life. OSU Sport clubs are not allowed to reserve University vehicles. You may use Motor Pool to secure rental cars from other companies in Stillwater and still pay the University price.

Travel Standards:

1. Each driver must have a valid and approved driver’s license for the type vehicle being operated and be rested.
2. Each driver must be insurable.
3. Occupants of motor vehicles should use seat belts or other approved safety restraint devices required by law or regulation at all times when the vehicle is in operation.
4. Drivers shall not drive impaired as defined by the laws of the State of Oklahoma and shall not use alcohol eight (8) hours prior to or during operation of motor vehicles.
5. The total number of passengers may not exceed the number of seatbelts available.
6. The maximum number of hours a driver may drive is ten (10) hours (including fuel and rest stops) following at least eight (8) consecutive hours of sleep/rest.
Risk Management & Emergency Action Plan
Emergency Action Plan

For minor injuries (Away Events)
- A qualified individual should render first aid as required on the spot.
- Complete an Injury Report form or notify the rec sports office whether the host site completed an injury form.

For injuries requiring medical attention:
- Designate someone to take the injured party to the local medical facility. Under no circumstances should he/she go unescorted.
- Complete an Injury Report form and submit it the same day as the injury.
- If a student has been unconscious he/she must be taken to a local medical facility. Immediately contact the Sport Club Graduate Assistant.

For Emergencies:
- **Call 911 and request EMS.**
- Explain the nature of the emergency and inform them if there is/isn’t an EMT on the scene.
- Give them clear and specific directions to the site.
- Provide the name and exact location of the victim, a brief description of the injury, identification of the caller, and phone number.
- Meet emergency personnel at the entrance to the building or scene of the accident and guide them to the injured party.
- Emergency personnel will be responsible for determining if and how the injured party shall be transported and whether to transport to the Health Center or the local hospital.
- Please remember that all patient information is confidential and should not be discussed with others. Immediately contact the Sport Club Graduate Assistant.

If you are involved in an accident:
- Stop immediately and notify the local police or call 911.
- Once you have called 911, then notify the Sport Club Graduate Assistant or Rec Sports Office immediately after taking any steps necessary for emergency care. If you are unable to get a hold of the office or Sport Club Graduate Assistant, please try and contact one of the Intramural Sports Graduate Assistants.
- Fill out a police report (necessary for insurance purposes).
- Obtain the names and addresses of all witnesses.
- Avoid giving statements as to who is at fault. Do not make any offers to pay damages. Fault or legal liability will be decided by the appropriate authorities.
- If you are driving a rental vehicle, follow the notification and emergency procedures outlined in the rental packet.
Severe Weather Procedures:

- It is the responsibility of the rec sport supervisors to be aware of severe weather.
- Anytime lightning is seen or you are notified by lightning detection services everyone should be cleared off the fields and the games for that hour cancelled. Play shall resume 30 minutes after the last sighting of lightning.
- The entire night should NOT be cancelled without contacting the specific GA/Assistant Director.
- If the rec sports supervisors decide together that the playing field conditions are unsafe, the current game(s) will be cancelled and/or postponed. DO NOT jeopardize participants’ safety (remember that games should be cancelled by the hour, not necessarily for the entire day/evening).

All employees will remain near the field in a safe shelter until the rec sports supervisors from each outdoor sport decide that all games for the evening should be cancelled. If this happens, the professional staff should be notified immediately as to post online and leave phone messages.

Risk Management

Assumption of Risk

All students who are involved with a Sport Club have the desire to participate. The student is aware that these activities involve physical and emotional risks, such as physical person-to- person contact, exertion, use of equipment, and the use of indoor and outdoor facilities. The student voluntarily assumes all risk of accident, injury, damage, death, and/or loss to himself/herself or to his/her property which may arise out of participation in the Sport Club. The student also releases and discharges Oklahoma State University officers and personnel (paid or voluntary) for every claim, liability, or damage of any kind. The student should not have any medical impairment, disease, physical liability, or injury that would prevent his/her participation in the Sport Club, and the student should have medical insurance that covers his/her participation.
Facilities & Services
Practice

Clubs needing field space are allotted 2 days for practice and up to 2 hours per practice. Days are limited to Monday – Thursday. Clubs will not be charged a reservation fee or lighting fee if it is a regularly scheduled and approved practice. Bathrooms will not be unlocked for practices. The lights are set on a timer, so please let the Rec Sports Office know if the on/off time needs to be adjusted. There are occasions where the box loses power and/or needs to be reset and the light do not come on for practice. If this happens, please call the Colvin Center front desk at 405-744-3798 and ask to speak with the manager on duty. The manager has several responsibilities at the Colvin Center, so they will come turn the lights on at their earliest convenience. It is not their fault that the lights did not come on, so please do not be rude the managers. Email the Rec Sports Office when the lights don’t come on so they can adjust the schedule.

Field Painting

All clubs are allowed to request fields to be painted for events/games. Rec Sports will not paint fields for practices. Field painting request forms need to be completed and submitted to the Rec Sports office at least 2 weeks prior to the event. If you fail to submit your form at least 2 weeks prior your club will be charged a $100 late fee.

Hosted Events

Clubs needing field space for events are asked to fill out a facility reservation request found online at https://wellness.okstate.edu/sport-clubs/sport-club-forms. Reservations are not confirmed until you receive a confirmation email. Clubs will not be charged a reservation fee or lighting fee if it is a confirmed event. Bathrooms will be unlocked if requested.

General Field Policies

- Do not use the field when it is raining. We only do maintenance on the field in the summers (hence why the fields are closed in the summer) so please do not ruin the grass by playing when the fields are wet. Intramurals makes their decision to cancel games by 4:00pm, so if Intramurals cancels games then sport clubs will cancel practice and we will send out an email.
- OSU is tobacco free so please refrain from smoking, chewing, etc. while on the fields.
- Pets are not allowed on Department of Wellness fields.
- Please do not drive/park on the fields or on the gravel drive leading to the building. The gravel drive is for use of emergency vehicles so do not block the drive. You can park in the lot north of the fields or along the side of the street.
- Please pick up trash on the fields. If trash looks full, let the Rec Sports Office know and they can schedule an extra trash pick-up.
- Be respectful of other clubs and obey your scheduled practice time and field.
**Colvin Recreation Center**

Classrooms, facilities, or practice fields are reserved in the Rec Sports Office. A club officer will need to fill out a request form, which can be found online or at the Colvin Center. This form will be reviewed by an administrator who will check for schedule conflicts. Within two days you should receive an email saying whether your reservation is approved or denied. Clubs wishing to use Gallagher Iba, Pickens Stadium, or Hedge Field need to contact the Athletic Department to obtain permission.

**Storage**

The Colvin Center has cages for clubs to store their equipment, jerseys, etc. Please see the Rec Sports Office if you would like to get a storage unit. The units are above the MAC gym in a locked storage case.

**Fax Machine**

The Colvin Center has a fax machine for clubs to use. Please see the Rec Sports Office if you would like to use the machine for club purposes. To have club documents faxed to the Colvin Center, our fax number is (405) 744-7531.

**O’Collegian**

The O’Colly can be used as a resource to market Sport Club materials. Any charges associated with marketing through the newspaper will be an expense of the club.
Posting flyers in campus buildings

A club representative must bring all material to be posted to Campus Life for an authorization permit. Upon completion of the permit, the representative will be allowed to stamp each poster with a stamp available in Campus Life. Once this is done, Campus Life will give the representative a listing of approved posting areas on campus. You may also use the bulletin board in the entry way hallway of the Colvin (last board on your left when you walk in). Flyers advertised in the Colvin do not need to be stamped. You may also put flyers in the wooden kiosk (labeled Sports Clubs) attached to the wall by the bulletin board.

Display Case

The display case in the Student Union will help promote program activities and events on campus. To utilize the display cases, the sponsoring group must stop by the Campus Life office.

Meeting Rooms

Student organizations may reserve rooms in the Student Union and classroom building for meetings. To reserve a space in the Union, contact SU Building Services at (405) 744-5232. For classroom building rooms, contact the Registrar’s at (405) 744-6885. Clubs may also use rooms in the Colvin Center. See the facilities section below on how to reserve Colvin rooms.

Use of Campus Grounds

A permit must be obtained from Campus Life. Tents and lawn signs must be approved for placement by Physical Plant and Campus Life
Miscellaneous Information
Relationship to the University

Sport Clubs may use the name of Oklahoma State University in their organization title. However, when using the University's name, club sports speak only for their club and do not officially represent the University or the Department of Wellness.

Intramural Activity

Only two sport club members (including coaches and advisors) are eligible to play on a team in their sport or corresponding sport. In their sport/corresponding sport, the team must play in “A” league competition.

Pre-Finals and Finals Week

During pre-finals week (commonly known as dead week) no student or campus organization may hold meetings, banquets, receptions, or sponsor/participate in any activity, program, or related function which requires student participation. Any deviation from the above policy must have prior approval of the Department Head, the Dean of the College, and the Vice President for Academic Affairs and Research.

University Logo / Apparel

OSU has an official style guide detailing which logos are approved for use (including full color, single color, and black and white). Their website is trademarks.okstate.edu. Not only should you make sure you are using the right logo but you also need to make sure your screen printing/embroider place is on the approved list (see their website as well).

Excerpts from their website:

Oklahoma State University has registered the names, logos, and trademarks of the university with the Patent and Trademark Office of the United States as well as the Oklahoma Secretary of State. Products bearing those marks and distributed for resale or used for other promotional purposes are subject to the licensing policies of the University. Recognized and registered student organizations may use the marks in connection with their mission as a student organization at Oklahoma State University for their own internal consumption. Items bearing the marks of the University that are to be used in fundraising projects will be assessed the appropriate royalty fees. The Office of Trademarks and Licensing has established licensed agreements with a number of suppliers who provide a variety of products. A complete list of all current licensees may be obtained by contacting the University’s Licensing Director. Departments or student groups seeking a supplier should first review this list to determine if the required items may be obtained from one of the current licensees. Only officially licensed vendors will be approved to produce merchandise bearing the Oklahoma State University marks.
